

## REMARKS

Claims 1, 3-5, 7-10, 12-20 and 22-26 are pending. Claims 5, 7-10, and 12-24 are allowed. Claims 1, 3, 4, 25, and 26 stand rejected. Applicants appreciate the indication of allowance for claims 5, 7-10, 12-20 and 22-24. Applicants note that claim 21 was previously canceled.

The Office Action notes that the amendments to the specification in the previous response were not in the proper form, but were accepted for examination. Applicants appreciate the acceptance of the amendment to the specification for examination and present the amendment in proper form.

With this amendment, Applicants cancel claims 1, 3, 4, 25, and 26, without prejudice to pursue these claims in a continuation application. This amendment cancels all rejected claims, thus leaving only allowed claims 5, 7-10, 12-20, and 22-24. Therefore, Applicant respectfully requests a timely notice of allowance and notice of allowability.

Respectfully submitted,

CALFEE, HALTER & GRISWOLD LLP
